QUALITY MATTERS	**SHIPS CLASSIFICATION MALAYSIA** # SCM CIRCULAR **TO SHIPOWNERS, SHIPYARDS, MASTERS, AGENTS AND RELEVANT INTEREST PARTIES**			MS ISO 9001 REG. NO. AR2998
	Issue No	02/2019	Issue Date	15 FEBRUARY 2019
TITLE	**PUBLICATIONS ONBOARD OF SHIP**			

To Owners, Managers and Masters of Malaysian Vessel,

1. Marine Department Malaysia (MARDEP) through Malaysia Shipping Notice MSN 25/2008, detailed up the publication to be carried out onboard of Malaysian ships.

2. The International Safety Management Code and the requirements of Regulation 27, Chapter V, SOLAS 74 as amended require all Malaysian flag ships to be provided with the publications listed in the Appendix of the circular (***Annex 1***).

3. The verification of the existence on board, of the required publications and circulars, should be considered as an additional requirement of the Malaysian flag with regard to the Safety Management System implemented on board Malaysian ships. Should any of the publications listed in the Circular be amended, owners and Managers are obliged to substitute the publication in question with an updated edition.

4. In the Malaysia Shipping Notice MSN 64/2011, MARDEP allowed Malaysian ships to be provided with mandatory nautical publication in digital format as required in Regulation 27, Chapter V, SOLAS provided:
   a) The nautical publications and weekly notice to mariners in digital format shall be saved or kept as an additional back-up by a method separated from the main user system so that they can be made available to the officer on watch (OOW) within a short period of time.
   b) The nautical publication is protected from virus and from editing the original content except by the issuing authority
   c) Accept only Nautical publication issued by or under the authority of IMO member states

5. Owners and ship managers are advised to prepare and ensure compliance with this regulation.
